SERVICE AGREEMENT ELECTRICAL DISTRICT NO. 3

The **Undersigned** hereby makes application to Electrical District No. 3 (the "District") for electrical service, and, in consideration of the District providing electrical service as herein applied for, **THE UNDERSIGNED AGREES TO THE FOLLOWING:**

- To promptly pay for such service at the regular published Rates of the District in accordance with the applicable Rules and Regulations adopted by the Board of Directors of the District; these Rules and Regulations are hereby made a part of this Service Agreement whether effective at the time or subsequent to the execution of this Agreement.
- To use such service for his or her own purposes and not to sell or donate any part of same or permit it to be used for any other purpose.
- To allow duly authorized agents and District employees to have access to the premises to which electric service is provided at all reasonable hours for the purpose of installation or removal of meters and equipment incidental to carrying out the purposes of this Agreement.
- To allow duly authorized agents and District employees to have access to the premises for the purpose of inspecting any electric lines, meters or other District equipment which is connected therewith.
- To indemnify and hold the District harmless from claims, injuries, damages and expenses of every nature and kind, for loss or damage to property or persons arising out of the delivery of service beyond the point of metering or for failure of the District to supply electric service.
- To immediately give notice when he or she ceases to occupy said premises and / or desires service discontinued and agrees to pay for such service.

THE UNDERSIGNED ALSO AGREES THAT:

- By providing a check as payment to the District, the **Undersigned** has authorized the District either to use information from your check to make a one-time electronic funds transfer from your account or to process the payment as a check transaction. When the District processes your check electronically, you will not receive your check back from your financial institution and funds may be withdrawn from your account on the same day that the District receives your payment.
- The District or its representative, may immediately, without any notice to the **Undersigned**, discontinue service hereunder in the event of failure on the part of the **Undersigned**, his or her agents or employees to comply with any of the terms or conditions of this Service Agreement.

IT IS UNDERSTOOD AND AGREED that such discontinuance of services shall not constitute a waiver by the District of any rights or claims which it might have against the **Undersigned** as a result of having provided electrical service to the **Undersigned**.

IN THE EVENT THAT IT BECOMES NECESSARY FOR THE DISTRICT to collect past-due balances or to otherwise incur costs to enforce any of the provisions of this Service Agreement or the breach thereof, then, in that event, the **UNDERSIGNED AGREES TO PAY TO THE DISTRICT** all costs and expenses including reasonable attorney's fees incurred by the District whether or not litigation is commenced.
