MARICOPA LION'S CLUB 2ND ANNUAL CHARITY GOLF TOURNAMENT

ED3 has and always continues to be an active member in our community.

The Maricopa Lion's Club hosted their **Second Annual Charity Golf Tournament** and reached out to ask ED3 to participate in the **Golf Ball Drop Fundraiser**. The Maricopa Lion's Club is a non-profit organization that serves the Maricopa Community. The golf ball drop

had close to 800 golf balls that were sponsored by various people and companies and ED3 dropped from our bucket truck (pictured to the right). The winner was determined by being closest to the designated red golf ball. The Annual Charity Golf Tournament and Golf Ball Drop are the biggest fundraisers for the Club. The funds raised will be used towards projects such as:

- Scholarships for graduating seniors from the three high schools in Maricopa
- Sight and hearing
- Local food banks
- Sponsor disabled Maricopa residents to attend Tatiyee Camp
- And more!

You can visit their Facebook page to learn more. Congratulations to the Maricopa Lion's Club on a successful tournament!
